June 26, 2018

Dear Neighbor:

Solano County will begin demolition activities at the Solano County Fairgrounds in Vallejo CA starting July 2, 2018. Solano County will be demolishing select structures on the Fairgrounds site in order to clear debris, remove outdated structures and begin the process for future development of the site.

Highlights of the Project

Removal of:

- Grandstands
- Barns and Stables
- Viewing Towers
- Jockey Quarters
- Brush and Trees

Clearing of:

- Racetrack and Former Golf Course Areas
- Site Debris

Regrading of:

- Portions of Site to Improve Drainage

The County does not anticipate any road closures or detours as a result of demolition activities. There may be occasional traffic delays on Fairgrounds Drive as a result of construction vehicles entering and exiting the site. The onsite demolition contractor will be responsible for traffic control and mitigation of impacts as a result of demolition. Construction hours are anticipated to be from 7:00 am to 5:00 pm Monday through Friday. Demolition is expected to run from July 2 – December 30, 2018.

If you have any questions or concerns regarding this project, please call: Steve Harder, Project Manager at (707) 784-3463 or Mark Hummel, Capital Projects Manager at (707) 784-7900.

Thank you for your patience as we proceed with these improvements to the Fairgrounds.
